Owing to the serious illness of Mrs. William Tolle with typhoid fever at her home in the East End, a telegram was sent yesterday recalling her husband, who is now in Milwaukee with the K. of P. boys.

Mr. and Mrs. Frank Newell have the sympathy of their many friends in their sorrow in the death of their two-months-old babe and first born, which occurred last evening at 7 o'clock at the home of its grandparents, Mr. and Mrs. Ira Newell, in Limestone street, after a short illness with stomach trouble. Mr. Newell is attending the K. of P. Encampment at Milwaukee, and his home-coming will be a sad one.

Bigger bargains than ever. New York Store.

A swarm of bees made its appearance in Second street between Market and Limestone yesterday morning, and after keeping the residents in the immediate vicinity on the anxious seat for quite a while, finally settled on the tree in front of the Kentucky Hotel.

MYSTERY STILL UNSOLVED

The foundling left at Mrs. John Hall's home in Forest avenue, and later removed to the County Infirmary, died last evening at the latter place.

Under the circumstances perhaps it is best that the child died. Certainly its passing away will remove a big lump in the throat of some unknown person who has, for the past several days, been on the anxious seat. The alleged mother of the child has evidently been well fixed, as she remains firm in not divulging the name of the father of her offspring.

ACTUAL PHOTOGRAPHS

Reproduced in Wonderful Five-Sheet Posters For Blue Grass Fair.

Probably the most attractive paper ever put out by a fair association is that which has been used this year to advertise the big Blue Grass Fair, which will be held at Lexington the week of August 8 to 13. The paper is all made from designs copyrighted by the Blue Grass Fair association, and the views used are taken from actual photographs made on the fair grounds in years past. The most prominent of these is a large five-sheet poster, showing a superb type of a Kentucky saddle horse. One of the best-known exhibitors in America is astride him, and the position of the horse and the pose of the rider are so natural, so graceful and so life-like as to attract immediate attention.

Argument unsettles the temper oftener
than it settles the point.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Adress, F. J. THE PECK-WILLIAMSON UNDERFEED FURNACES AND BOILERS

Were living in perfect comfort all over the house. The Underfeed coal burning way—fuel fed from below—all the fire on top—insures as much clean, even heat from cheapest slack as highest priced coal which ordinary heating plants require. This enables Underfeed users to

SAVE 1/2 TO 2/3 OF COAL BILLS

Mr. J. E. Crider, President of the Critter Creamery Company, Fredonia, Ky., relates his Underfeed experience thus:

"We installed one of your No. 739 Underfeed furnaces in our 12-room house about two years ago. We have found the furnace very satisfactory indeed. The furnace is extremely economical, fires easily and the heat is quite evenly distributed throughout the various rooms. We use not and slack coal for fuel with perfect results and much prefer the Underfeed to any heating device with which we are familiar."

Send for our FREE books about UNDERFEED Furnaces and Boilers and let us PROVE that it will pay you to discard old-fashioned heating methods and install the satisfactory dividend-earning Underfeed. Heating plans and services of our Engineering Department all FREE. Write today.

RUGGLES CAMPMEETING

Notes of Interest Gathered at These Beautiful Grounds

RUGGLES CAMPGROUNDS, August 31, 1910.
Special Correspondence, *Public Ledger*.

Just when we had begun to think that it was going to get a little too warm for comfort, we had a fine rain, which laid the dust, cooled the atmosphere and made everything more comfortable. It could not be more delightful if we had the ordering of the weather ourselves. Every camper is saying it is the best Campmeeting they ever attended. If some of those folks that left the wet summer scare them out of attending this year could come on the grounds a little while, they would see what they are missing.

We had a great sermon from Rev. G. N. Jolly, D. D., at the morning service. His subject was "The Faith of the Church," and it was handled in a masterful way.

Rev. E. H. Edwards preached at the Bible study hour.

At the evening service Dr. Blodgett preached another very impressive evangelistic sermon. Many asked for prayers at the close of service.

Rev. A. H. Davis and daughter of Catlettsburg, L. R. Godfrey of Mt. Olivet, and W. H. Davenport of East Maysville arrived today. Their arrival increases the attendance of Ministers to the largest number on record. In all, there have been about twenty-eight in attendance thus far, and more to come.

W. D. Hendrickson, our efficient Chief of Police, was called to Vanceburg for a day or so on some business. During his absence, his place was well taken care of by William Sone, our faithful man of general usefulness. "Billie" is on to his job all right and saw that good order was maintained.

In the wee hours of the early morning, the three great pedestrians—Henson Orr, Sam McEntire and Robert Nash—hove into camp. No, they didn't exactly "hove" in. They got as far as the stables and there, weary and foot-sore, they laid themselves down on the soft side of some boards and sweetly slept till morning, their slumbers being disturbed by nothing but dreams of the joys of the morrow, with fried chicken, pretty girls to promenade with and Church to go to three or four times a day.

Meers, W. B. Sayers and John Stitt of Covington came into camp this afternoon in an auto, to remain over night with us.

The annual meeting of the Campmeeting Association was held this morning. The old Board of Directors was re-elected. No other business of importance, outside of the routine business, was transacted.

CURE YOUR KIDNEYS.

Do Not Endanger Life When a Maysville Citizen Shows You the Cure.

Why will people continue to suffer the agonies of kidney complaint, headache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a certain cure is offered them?

Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one, of the symptoms of kidney disease, cure yourself now, before diabetes, dropsy or Bright's disease sets in. Read this Mayville testimony:

Mr. John T. Wallingford, 108 Commerce street, Maysville, Ky., says: "Doan's Kidney Pills have been used in my family with most beneficial results and it affords me pleasure to corroborate the testimonial we gave for publication in their favor some years ago."

Doan's Kidney Pills brought me great relief and I have no hesitation in again recommending them."

The Civic League of Philadelphia, during "Municipal House-cleaning Week," sent out thousands of cards requesting observance of the following rules:

- "1. Do not throw down any paper.
- "2. Do not throw down any fruit.
- "3. Do not throw down any rubbish.
- "4. Do not hurt any property.
- "5. Observe all city ordinances."

Parents and teachers were requested to urge upon children compliance with the suggestions and very good results were obtained. It would not be a bad idea to have a municipal house-cleaning day, or days, in this city from time to time. Such an event would suggest cleanliness and civic pride to all and mutual good examples would create a continuing desire for a more beautiful and sanitary city.

MORE towns die for want of confidence on the part of business men and lack of public spirit than any other cause. When a man in search of a home or a business location goes

What Kills a City. into a town and finds everything brim full of hope and enthusiasm of the prospects of the place and all earnestly at work to build it up, he soon becomes imbued with the same spirit, and, as a result, he drives down stakes and goes to work with the same interest. When, however, he goes to a town where every one expresses doubt and apprehension for the future prosperity of the place, moping about, indulging in mournful complaints, he naturally feels that it is no place for him, and he at once shakes the dust from his feet, while he pulls out with all possible speed for another place. Consequently, try to make a live, enterprising town in which you live. When you are working for your town you are accomplishing all the more for your self.

WANTS HER LETTER PUBLISHED**For Benefit of Women who Suffer from Female Ills**

Minneapolis, Minn.—"I was a great sufferer from female troubles which caused a weakness and broken down condition of the system. I read so much of what Lydia E. Pinkham's Vegetable Compound had done for other suffering women I felt sure it would help me, and I must say it did help me wonderfully. My pains all left me, I grew stronger, and within three months I was a perfectly well woman.

"I want this letter made public to show the benefit women may derive from Lydia E. Pinkham's Vegetable Compound."—Mrs. JOHN G. MOLDAN, 2115 Second St., North, Minneapolis, Minn.

Thousands of unsolicited and genuine testimonials like the above prove the efficiency of Lydia E. Pinkham's Vegetable Compound, which is made exclusively from roots and herbs.

Women who suffer from those distressing ills peculiar to them should not lose sight of these facts or doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

If you want special advice write to Mrs. Pinkham, at Lynn, Mass. She will treat your letters strictly confidential. For 20 years she has been helping sick women in this way, free of charge. Don't hesitate—write at once.

In Your Toilet and Bath

For cleansing the skin and removing stains you must use soap—good soap—soap that doesn't contain ingredients that irritate and chap the skin. Now, you can get that kind of soap, and, in addition, softening and whitening properties combined antiseptically, thus treating the skin medicinally, would you not adopt it, especially if its cost was less?
